

Overdenture Patient Opportunities

Dental Education
Learn. Do. Excel.®

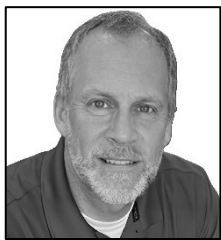

Program Description

This program offers solutions to help you and your patients achieve beautiful, confident and healthy smiles. Edentulism and failing dentition continue to be major health challenges affecting millions of people worldwide. ZimVie offers a variety of ideas that simplify mucosally supported and implant retained overdenture therapy for clinicians, while providing an improved quality of life for each patient. Literature and models will be available for review.

Program Objectives:

Review the most common treatment modalities for edentulous patients.
The following topics will be discussed in detail:

- Review Three Overdenture Classifications.
- Learn About Features and Benefits of the new OverdenSURE® Abutment System.
- Review "Tips and Tricks" when restoring your next overdenture case.
- Program will include individual hands-on. Participants will process (2) OverdenSURE attachments on model. All materials needed for the hands-on will be provided.

Wayne Szara, CDT Clinical Education Manager, ZimVie Dental

As a 33-year Certified Dental Technician with over 35 years of experience in the dental industry, Wayne has held roles with both Sterngold and 3M ESPE prior to joining ZimVie Dental in 2003. For the past 22 years, Wayne has presented numerous seminars on behalf of ZimVie, including ones focused on hands-on implants and other implant prosthetics programs for both North American and international audiences. His programs have been presented to a vast audience, including oral surgeons, periodontists, general dentists, denturists, dental technicians, and patients. As a published author, Wayne's technical articles have appeared in peer-reviewed journals. He's also been recognized by the U.S. military as an outstanding seminar leader within their professional development program for dentists and dental technicians. Wayne is a graduate of Triton College and Southern Illinois University, and holds degrees in Dental Technology and Vocational Education.
